Subject: RE: DB ESA Update

Bruce: I agree that we need to carefully consider Kim's advice on how to proceed with our analysis, knowing that our **Ex. 5 Deliberative Process (DP)** would ask you to share your thinking below with her so that we all are in agreement on the best way forward. Whatever approach we propose to Darcy and Sarah will need the full support from Kimi/ORC.

I am also happy to talk further by phone with the both of you tomorrow if that would help.

Douglas

Subject: DB ESA Update

Douglas,

Ex. 5 Deliberative Process (DP)

If you're OK with this approach I will make the changes as mentioned above, and save that into another document. This new document can then have ORC's review on what, if anything, should be changed/added/removed.

Ex. 5 AC/DP
